

The overarching goal of the UEG Education Committee is to deliver cutting-edge medical education to the digestive health community across Europe and the globe. During my time as chair, increasing amounts of effort and resources are being put into UEG Online Education to keep our offers state of the art, dynamic and easily accessible.

I invite you to join this Thursday's webinar

UEG's next free webinar is two days away! **I would like to personally invite you to attend our latest [GI Guidelines Webinar on Microscopic colitis](#), this Thursday, March 18, 2021, 18:30 – 19:30 CET.** Featuring expert speakers, Stephan Miehke and Andreas Münch as well as moderator, Gianluca Ianaro, this Webinar will provide physicians and nurses with:

- The most recent knowledge and recommendations on microscopic colitis (MC)
- Insights into common mistakes and how to avoid them
- Tools to improve their care for MC patients
- Expert advice for clinical practice

I encourage you to join the discussion live in order to voice your questions in real-time and allow our experts to verbally provide feedback on your thoughts.

Learn from experts' mistakes to avoid them yourself

There are now two new installments of our wildly popular, [Mistakes in... article series](#) which have been published in 2021.

[Mistakes in... Microscopic colitis and how to avoid them](#) tackles the misconceptions and lack of awareness that still surround microscopic colitis, an inflammatory bowel disease that leads to chronic, watery diarrhoea and can severely impact quality of life.

[Mistakes in... Endoscopic ultrasonography and how to avoid them](#) explains the pitfalls that can be encountered in pancreatobiliary and digestive EUS imaging.

Online Courses: What's new & why you should enrol

We are extremely close to reaching our goal of 10,000 unique users! If you have not yet had the pleasure of learning at your own pace from UEG's high quality Online Courses, I encourage you take the next step and enrol in a course for free today.

We have a [new Online Course on Infectious Colitis](#) by authors, Laia Peries and Xavier Aldeguer.

It provides the latest information on all aspects of infectious colitis and discusses the aetiology, epidemiology, symptoms and clinical features.

Enrol

Three of our Online Courses have been reaccredited by EACCME:

[Biomarkers of Liver Disease](#)

[GORD Pathophysiology](#)

[GORD Diagnosis](#)

UEG Online Courses offer a convenient and flexible way for you to earn CME points.

UEG Journal: More on microscopic colitis

For further information on the GI hot topic being covered in our latest Mistakes in... article and in this Thursday's webinar, have a read through UEG Journal article, "[European guidelines on microscopic colitis: United European Gastroenterology and European Microscopic Colitis Group statements and recommendations](#)". This article is the basis for Thursday's webinar and both expert speakers are the authors.
